

**Hunting Regulations**  
**Waukesha County Land Conservancy**

1. Deer hunting only, no other hunting is permitted, unless otherwise specified.
2. A hunter must possess a WCLC hunting permit to hunt WCLC properties. Hunting is only allowed on the Ottawa Wildlife Refuge and the Scuppernong Preserve.
3. Only shotguns are allowed on WCLC properties.
4. Carry your hunting permit card with you while you hunt.
5. Alcoholic beverages are strictly prohibited.
6. No motorized vehicles.
7. A maximum of two deer stands may be set up on the property per hunter.
8. Deer stands may be left up only for the time period you have permission to hunt. Only non-damaging deer stands may be used. No spikes or screw-in steps allowed. No stands shall be placed within 100 feet of a property boundary. WCLC assumes no responsibility for lost or damaged stands. All stands must be removed by February 1<sup>st</sup> the following year.
9. No cutting, clearing or breaking of vegetation. Building of ground blinds with vegetation is not permitted.
10. No baiting of deer or food plots allowed.
11. No fires, camping, littering (includes plastic flagging) or dumping of waste on the property.
12. **Unnecessary shooting or shooting at targets is not allowed.**
13. No hunting is allowed within 200-yard radius of any inhabited dwelling.
14. All local, state, federal laws and ordinances governing hunting activities, including obtaining all required government licenses must be observed.
15. The deer hunting survey **MUST** be mailed back to the conservancy at end of the season. Failure to do so will deny any acceptance of future applications.
