

Matching Gifts

WHAT ARE MATCHING GIFTS?

Matching gifts are when companies match donations that their employees make to nonprofit organizations like the Waukesha County Land Conservancy.

HOW DOES IT WORK?

Typically, when an employee donates, the employee can request a matching gift from their employer. The company will then make their own donation, matching their employee's donation!

Usually, companies will match donations at a 1:1 ratio, but there are some companies that will match at an even higher ratio (i.e., 2:1 or 4:1).

Does your company have a Matching Gift program?

Check with your company's Human Resources department today to see if they offer a Matching Gift program to double your impact.
